

Fling the Teacher review game

Fling the Teacher is a great game.

Created by Andrew Field, a history teacher, you can download the generator on [the games page](#) of EFL Classroom and make your own game for reviewing your lessons.

Students love the game and try one out [HERE](#) or on the games page. You'll love it. Please upload your games to EFL Classroom 2.0 and share! Also see how to make a game [HERE](#).
