

Guess Where I Am?

This is an easy but fun lesson to practice geography, question making and language skills.

1. Choose one student who comes to the front of the class.
2. The student writes in big letters on a piece of paper with marker, a country or place in the world.
3. Students have 10 guesses/questions and after that they must decide where the student is. Questions must be Yes or No (direct).
4. Start again with a new student.
